Preparing for your sitting

- Glasses may reflect our studio lights. Ask your optician if you could borrow a set of frames without lenses for your portrait.

- Gentlemen please shave the day of your portrait as this cannot be touched up.

- Ladies, long sleeves are recommended for your formal portraits. Dark long sleeve sweaters work best!!! Dark Blue or Black recommended along with simple but elegant jewelry.

- Hair should be worn the way you normally wear it. Make sure it does not cover your eyes. Please do not change your hairstyle right before your session. This could lead to disappointment.

- Gentleman a shirt, dark jacket and tie is recommended for your formal portraits!!! If you are not wearing a jacket, please stay away from an all white shirt!

- For our casual poses you may wear what you like as long as it adheres to your school policies. Stay away from busy patterns!! Solid colors always work best!!
- Accessories for your casual poses are a must!! Scarves, jewelry, hats, sports equipment, snowboards, anything to show the real you!!!
- Outdoor sittings please stay away from pale colors or all white!!

Please be on time for your sitting!
