# KICK UP THE FUN!

## NEW! FUTSAL LEAGUE NEW BRITAIN YMCA

Futsal is how most of the world plays indoor soccer, and is one of the fastest-growing sports in the country. It's played on a small court with four field players and a goalkeeper on each team, so every player gets in on lots of action. The ball is low-bounce, so the emphasis is on quickness and footwork, with very little aerial play. A young players' skill and confidence with the ball improves rapidly with futsal, and that translates into more fun!

This new league is a collaboration of the Meriden YMCA and the Foundation Soccer Club. Foundation Soccer Club is a group of professional coaches, all former professional or college players, who enjoy sharing their passion for the game with young players. Our philosophy encourages skillful play, creativity, and of course, enjoyment! We're looking forward to getting started with this new league, and we hope you'll join us.
